CHARTER ACCEPTANCE SPEECH - March 29th, 1969.

District Governor Men, it becomes for me a distinct privilege as President of the Land O'Lakes Lions Club to accept this Charter on their behalf, and to express the gratitude we feel upon officially becoming a member of the great family of the International Association of Lions Clubs.

We are told that Lionism is big -- that it is by far the largest and most active Service Club Organization in the world to-day.

The motto of Lions International is "WE SERVE" and as a unit of this Service Club Organization, just beginning to work, we shall indeed strive to make it the motto of our club. We expect and plan to do our part at all times, to give encouragement and a helping hand wherever possible to all useful and worthy civic endeavours, and our work for the advancement and betterment of our community. We believe that our co-operative efforts as a Lions Club will have a far-reaching effect, as we join hands to sponsor, aid and help promote needed projects.

We are told that Lionism means Service. It means service founded on the Golden Rule. Therefore, through our Lions Club we expect to demonstrate and put into practice the deeper meanings of teamwork, which are so essential for growth, development, improvement and success.

So, as the first President of the Land O' Lakes Lions Club, I humbly accept the responsibilities of my office, and in doing so, pledge to you the members of my club, my full cooperation, as well as that of my fellow officers and Directors.

We believe that the formation of our Lions Club is a progressive step forward in the right direction, and we trust our work will always give evidence of such unselfish service.

Our slogan will be, - "WHEREVER THERE EXISTS AN URGENT NEED,
OUR LIONS CLUB WILL FURNISH THE DEED."

MEETINGS OF THE PAST

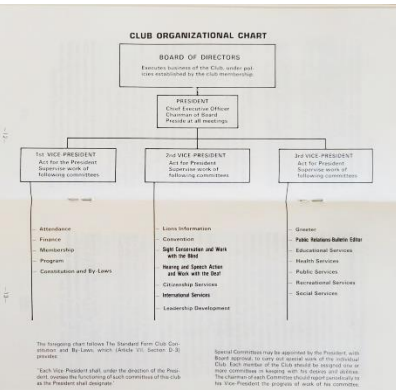

During the early years club meetings were held in a variety of locations including Cloyne, Denbigh, Flinton, Kaladar, Plevna, Napanee and Harlowe.

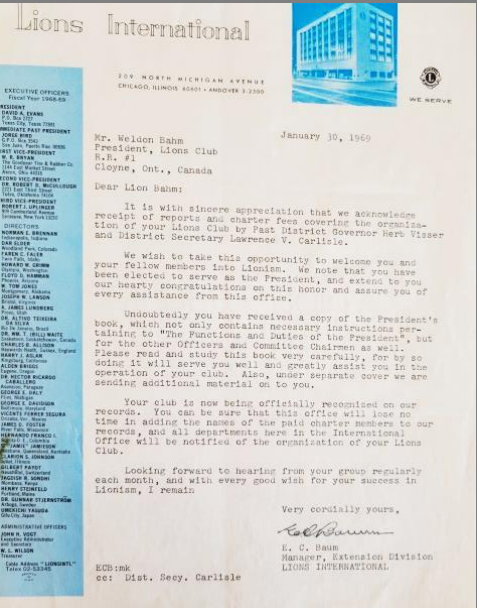

The club acquired the Northbrook Community Centre, (originally an elementary school) from the Northbrook Community Association in 1983 and began a \$60,000 renovation to transform it into the Lions Hall that we use today for our meetings and many community events.

In a world pre-emails and fast communications the call to the club meeting took creative forms. Charter members were welcomed and guided by the International Lions Association into leading the club, developing meeting norms, and understanding the hierarchy and operation of the association.

Within a few years, the call to the club meeting became more formal and organized listing in just one card the date, time, reason for the meeting, the expectations from the invited member.

The Earlier Years

Over the years, Land O'Lakes Lions have hosted many community activities and fundraisers. Weekly Bingo and our annual Toll Road events date back to the 1970s and continue to this day. Some activities of past years that have come and gone include Millionaire Nights and Halloween Masquerade Parties (early '80s), Pheasant Hunts (mid '80s), Ladies' Nights, and Lawn Mower Races.

Charter Nights were celebrated on yearly basis with larger celebration at milestones such as the 10th Charter Anniversary.

Land O'Lakes Lions hold Yule ladies' night

By Rod Dawson

North county correspondent

Land O'Lakes Lions Club held a ladies night on December 28 and made a Christmas celebration.

Held in the Barrie Township Hall in Cloyne, the event was largely a social evening with very little business conducted. The Lions, of course, seldom go anywhere that there isn't an improvement resulting from their efforts.

During Lions Scott thanked the Lions for having the piano fixed, a deal that has apparently needed doing for some time.

Special guests attended this year. Land O'Lakes is remarkably active and does not seem to share in their thoughts.

Presented from the Verona Lions Club. Also present from Verona were Earl Dupuy, District Governor, Carin Babcock and wife Joan, President Colin Parks and wife Nellie, Second Vice President Charlie Clark and wife Inez.

From Caledonia came Jack and Elia Martin. Martin is deputy district governor of Lions Region 10. From Markham came Ron and Sandy Mitchell, deputy district governor.

From Deseronto Lions Club came Mac McLean, zone chairman, and wife Betty. Also from Deseronto came Gerald and Rose Laurier, past president.

Dupuy District Governor Rene Lenoir and wife Coen attended. He is a member of Land O'Lakes Lions.

A special duty at the Ladies' night is that of hostess for the evening. Dorey Wilson, wife of Lion Andy Wilson, performed these gracious duties.

Past Chairman of the Lions Club, Fred Warwick, introduced the Club. Warwick introduced the Club as being in place almost 100 years ago. Although not

known to meet her husband, and he would become a gift to the club.

Rene Lenoir is a member of Land O'Lakes and a district governor of the Lions Club who could become a governor of Lions.

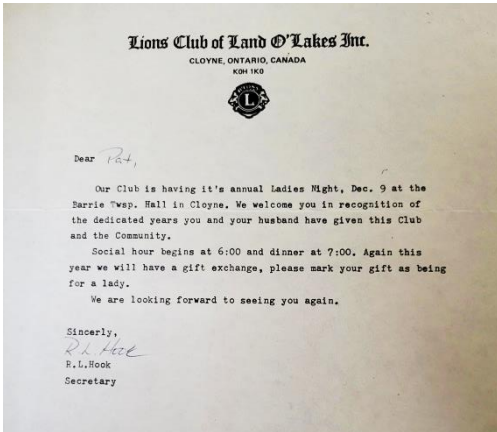

He was singled out for special recognition as a tribute to his of four, enthusiasm, work and give back to the Lions and their public services.

Lenoir was selected as Lion of the Year and presented with a plaque by the Lions Club.

The evening began with a raffle, then banquet and concluded with a dance.

Accepted by Plaque
It gives me great pleasure in accepting the Deputy District Governor plaque on behalf of the Land O'Lakes Lions Club.

We travelled 2000 miles visiting the various Clubs & enjoyed their fellowship in the true spirit of Lionism, raising with them in their honor.
This Plaque will be hung in "Our Lions den" with much pride and many memories of our Charter Year 1969.

The Golden Days of Andy Wilson and the 1980s

The club continued in it's high accomplishments past the early years and into the 1980s.

Ladies Nights and Charter Anniversaries were kept, the club took on a large new Lions project which is the chartering of a Leo club; and, most importantly moved into the building on Hwy 41. That started Bingo Nights.

Those years also introduced a president who left major impacts on the club, Andy Wilson 1983-1984. The accomplishments of Wilson led the club members to commemorate him with a glass frame holding his memorabilia. The frame still hangs in the club hall.

A Successful Financial Program

Success is achieved in the financing of your Club service programs by:

1. Building a long range plan for membership growth, developing leadership within the Club, selecting the best fund raising activities and events, and increasing the financial support from your community.
2. Selecting service activities that will:
 - a. Provide funds for local needs.
 - b. Support District, Multiple District and/or state geographical area programs.
 - c. Support national and international programs.
3. Planning an annual operating budget that will support the service activities selected by your Club.
4. Organizing the planned fund raising events and activities to involve all Club members and produce maximum income.
5. Establishing sound accounting procedures for all funds. (Use 100% of the net income from fund raising projects for approved service activities.)
6. Controlling expenditures.

Budget Planning. _____

Each year, the Lion President should appoint a Budget Committee. The members of this Committee will:

1. Analyze operating income and expense for the current year and project a balanced budget for the planning year. (This budget should include changes required in dues related to increased cost of meals and other expenses.)
2. Estimate income from possible fund raising projects and recommend distribution of philanthropic funds for approved service projects.

When complete, the budgets are adopted by the Board of Directors and presented to the Lion membership for approval.

Fund Raising Chairmen

After the Lion membership approves the fund raising events proposed, the President appoints a Chairman for each approved fund raising event. The following diagram represents a situation in which a Chairman has been appointed for projects and events selected from five general groups: community events, games of chance, direct solicitation, food functions, and produce sales.

Needed- Men Of Quality

Don't you think this would be an interesting message to put on our sign at our hall? Think about it!!!!

In 1988, one year before the 20th Charter Anniversary, a club meeting was held where former members of the club were invited to attend and share their stories and memories of their days in the club.

What has the Lions Club done for you lately?

by C.L. Marriott

Northbrook - Over the past three months the Land O' Lakes (L.O.L.) Lions Club has been very busy - mostly making donations of services and money and mostly behind the scenes.

At their November meeting the Lions donated the Northbrook Hall to the L.O.L. Community Services to hold their Santa Breakfast on Dec. 13, which raises funds for the Safe Homes Program. They also planned a fundraiser. The Lions will raffie off an 18 inch TV dish, worth \$700. The draw will take place on the May 24th weekend.

The L.O.L. Lions Club will sponsor the new Debnigh-Griffith Lions Club "fundraising traditional responsibilities". The official charter night for the new Club is scheduled for Feb. 21.

At the December meeting they donated \$500 to the North Addington Education Centre volleyball team, that required financial assistance to participate in the volleyball finals in Hamilton with total costs of \$2,400. Coach Ron Pawlak, wrote a thank-you note and advised the senior boys had finished 5th overall all.

The Lions then went on to donate a further \$500 to the Lennox & Addington Resource Centre (LARC) to allow them to purchase

books and toys for their weekly support groups held for parents of young children.

At the January meeting the group donated \$500 to Dale and Bonnie Keller who are trying to install a "lift" in their home, at a total cost of \$700. Dale suffers from Multiple Sclerosis. Further, the proceeds from the Lions Club Valentine Dance will also be forwarded to the Kellers.

Lions Club Valentine Dance will also be forwarded to the Kellers.

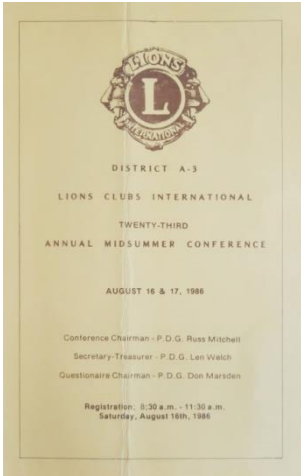

Finally the Lions donated \$100 to Snowarama organizer, Eleanore Nowell, for the Easter Seals event held on Jan. 24. The proceeds of the snowmobile run supports children with special needs in the area. This year's Easter Seals poster child is Daniel Meggs of Debnigh.

VISITATION: The club made a visitation to the Deseronto Club recently. We had about 14 Lions present for this one. We had a bumpy bus ride out, lots of fellowship, some good stories, and Willie Archer. This visit coincided with Governor Mac's official visit to his own club. Governor Mac very officially and with decorum, inducted into our Club Dr. Zaidon Tobin. It was a very impressive ceremony, one were given lessons on how to spend silver dollars - this was a treat for all of us. Lion Andy won the prize but unfortunately he had nothing to show for it when he got home - perhaps a replacement would be in order!

Those of you who were not on that trip missed a good one. If you were absent, you can still welcome into the world of Lionism, Dr. T - I'm sure we all wish him many, many years in the organization.

Visitations to clubs noted and encouraged

The New Building on Hwy 41

In 1983 the new building on Hwy 41 Northbrook became the headquarters of the Lions Club of Land O'Lakes and still is.

The property was donated by the Northbrook Community Association at a sale price of \$1.

President Andy Wilson was the president upon the opening of the hall, which was referred to as the Northbrook Center.

It is worth noting that the building was fully funded by Lions and donors; no funds were received from the government nor was a major fund-raising event made for the efforts.

Major donors received awards, rooms carried their names and plaques listed them.

Lions to spend a lot on Northbrook centre

By Rod Dawson
North County Correspondent
The Land O' Lakes Club, having accepted the Northbrook Community Centre from the Northbrook Community Association, are not going to just sit back and say thank you very much. They have plans to spend a lot of money and effort in order that the building may better serve the community.

They will spend \$60,000, according to Ken Douglas, chairman of the property committee. John How, Bill Moore, John Henry, Bud Journal and George Hawley are the other members of the property committee.

The committee presented a three-phase program to the Lions Club for approval and implementation.

Phase one involves the building itself, both the exterior and the layout. At present the building is L-shaped. But the size will be increased so it becomes rectangular.

The addition will increase the size of the Buchanan room to about 2,100 square feet, with a separate south entrance. Underneath this new section will be an enlarged and completed basement with a new entrance.

This will provide better facilities

for the area where the Legion meets. Kitchen facilities will be enlarged. There will be improved washroom facilities.

When the modifications are completed, the entire unit will have a complete new roof added. The exterior walls will be faced with split block.

Phase two of the construction will encompass all facets of the interior from new walls to new wiring, plumbing, lights, interior doors, etc.

Phase three of the construction will concentrate on furnishings such as chairs, tables, kitchen equipment and so forth.

The Lions are targeting August 1984 for completion of this program. It is noted not one cent of government funds are going into the project.

Nor have the Lions solicited for the project.

That is not to say that help, financial or physical, would be turned down by the Lions. Quite to the contrary.

Cash donations for the new community centre were already gratefully received.

Lion Ken Douglas is open to offers from the community from those who would like to give a hand in the work.

Land O'Lakes Lions hold meeting in Northbrook

By Rod Dawson
North county correspondent

Wednesday, Oct. 5 was the first official meeting of the Land O' Lakes Lions in their new hall in Northbrook. Many distinguished Lions were present at the meeting.

Past District Governor Ron Mior of Verona was there. President Gerry Loney of the Deseronto Lions Club came along with 10 other members from his club.

Deputy District Governor Mac MacLean was keynote speaker. Duane Levis from Clonore introduced MacLean, a Nova Scotia native who lived in Sarnia and London prior to moving to Deseronto nine years ago. A member of the Deseronto Lions Club for eight years, MacLean has a record of perfect attendance.

He served on all major commit-

tees, was president of the club, and zone chairman. A community worker, MacLean has been involved in establishing a Community Alternate Sentencing Program (CASAP) and is working to establish a Neighborhood Watch center in Deseronto.

MacLean expressed pleasure in being the first to speak in the new Lions Hall. He spoke of the international president's program this year and the goals of international Lionsism.

He urged members to bring someone else into Lionsism who is the same age they were when they joined. If their original sponsor is no longer in Lions, MacLean urged and effort be made to bring them back.

He spoke of four phases in life-dreams, study, planning and then action. He urged Lions to never be-

less than their dreams.

He spoke of Lions being more than the sum of their parts. He spoke of several projects the Lions could get involved with.

The Lions this year are zeroing in on drug awareness for the age 12 to 14 group.

MacLean congratulated the Land O' Lakes Lions for having the best recruitment record in District A3. He said, "Lions are proud of you. You should be proud also."

A special feature of the night was the honoring of Land O' Lakes President Andy Wilson. Andy is a very special kind of person to his family, his friends, his community and the Lions.

Past Deputy District Governor Rene Leroux presented him with a Lions plaque of appreciation, a well-earned and well-deserved tribute.

Land O' Lakes Lions Club community centre opens

By Rod Dawson
North County Correspondent

The official opening of the Land O' Lakes Lions Club community centre in Northbrook was Sept. 30 evening.

Lion President Andy Wilson drew attention to the fact the property was a community centre. He encouraged the use of the hall by all segments of the public.

Wilson said thank you to all members of the community who helped the Lions to serve the community. The Lions helped equip the volunteer fire department. They assisted the medical centre in Northbrook by providing needed furnishings and supplies.

Local Lions supported the Marine Lake swim program, assisted the blind, provided eyeglasses for children, contributed to the Whitney School for the Deaf in Belleville, provided wheel chairs, canes and other assists for the handicapped, and supported students in the schools.

These and many other services have all been possible because of wide support from the public.

The Northbrook Community Association actually donated the building to the Lions Club. Association President Fred Drysdale was present at the Lions meeting.

Norman Inwood, President of Royal Canadian Legion Branch 328 which meets in the Northbrook Community Centre on the first Friday of every month, was also present.

Special presentations were to four people in recognition of their service to the community and for their help to the Lions Club.

Len and Peggy Rubin were given a Lions plaque by President Andy Wilson. Alex and Sal Buchanan also received a plaque from Wilson.

As an added note of appreciation, the community room in which the meeting was held was

identified by a name plate. Hereafter it will be known as the Alex and Sal Buchanan Room. The Lions in Land O' Lakes represent a phenomenon of more people doing more work. The results show in the community and in the Lions Club.

The Lions Club in Land O' Lakes has grown from a membership of 19 to a membership of 28. Meetings are at 8:30 pm on the first and third Wednesday of the month and visitors are welcome.

People interested in the camaraderie and public service opportunities offered by the Lions are invited to contact any Lions member.

Book progressing on Lions Club Hall

Persons driving on Highway 41 through Northbrook will have seen the new Land O' Lakes Lions Club Hall now being constructed in the center of the Village, on the site of the former Northbrook Community Centre.

The Northbrook Community Association sold the property to the Land O' Lakes Lions Club in the fall of 1982, for the sum of \$1.00 and since that time energetic Club members have been enlarging the existing building with ~~under labor~~ and with the assistance of two contractors, both of whom are members of the Lions Club.

The hall, of block construction, is 58 x 78 feet, and when finished, will contain on the first floor, a large hall for various activities such as meetings, dances and banquets. There will be a large, well equipped kitchen, and a Lions Club meeting room.

The Legion Hall will be in the basement, plus a utility room and a storage room for the Lions equipment, including the swimming dock from the Marble Lake program, medical equipment, and Club equipment.

The construction project has not received Wintario or Community Centre grants, but did receive "Off Oil" and insulation grants of about \$8,000. Other funds have been raised by the Lions Club, donations from individuals, the Northbrook Community Association, and the Northbrook Branch of the Royal Canadian Legion.

The Golden Sunset Senior Citizens Club of Northbrook, who use the hall for a meeting place, have been instrumental in obtaining chairs and

tables for use in the hall. The hall will be about 75 per cent completed by September of this year, and hopefully it will be officially opened in the fall of 1985.

A pheasant hunt will be held in September as a fund-raising event. Tourists visiting the Northbrook area should check the local calendar of events, to see what is taking place in the new Lions Club Hall.

Namesakes for room

Alex and Sal Buchanan receive a plaque of appreciation from Land O' Lakes Lions Club President Andy Wilson in recognition of the work they have done for the Lion's and for the community. In tribute one of the rooms in the newly renovated community centre at Northbrook will be called the Alex and Sal Buchanan room.

The Blueberry Jamboree, the Pheasant Hunts and the 1990s

The 1990s were years of activities and events. Major fund-raisers and large-scale events categorized the decade.

The main large events were the Annual Blueberry Jamboree and the Annual Pheasant Hunt. Those events gave the club a new image of fun and action, while also promising the second phase of the building complex: the ice rink. Sadly, that part of the project never saw the light.

In 1998 Land O' Lakes Lions was the sponsoring club for the Denbigh-Griffith Lions Charter.

Fundraisers Extrême take on new goal — At the regular Northbrook Lions Club dinner meeting on Jan. 21, members passed a motion to go ahead with building a Recreation Centre on their property that houses the Lion's hall and the Blueberry Jamboree field. Estimates and plans are sketchy. The Recreation Centre may be built over the existing ice rink or as an addition to the existing hall. Costs could range between \$100,000 or \$125,000. Even though this group, whose motto is "we serve" the community, had no discussions they just set themselves a goal and ease they go ahead. New Beginnings: 2016 - 2022

In 2016 the club faced a new challenge: to fold or to rebuild. The choice was clear with the acceptance of President Jean-Jacques Emond (aka Red) to take the lead and work on re-growing the club that had dropped down, at that stage, to 7 members.

A new board was formed and new events were created and soon enough the membership growth began. This was the stage of social activities that engaged the community and reminded everyone of what the Lions can perform.

Those years saw the 50th Charter, bottle sorting, the fence designs, Remembrance Day Ceremonies and the COVID Days.

One of our largest fundraisers that started around 2014 is alcohol beverage container, ABC returns. This project requires many volunteer hours each week and raises over \$20,000.00 annually.

The tradition of supporting NAEC continued into the new beginnings; Left: President Kerry Skipper giving Bursaries to graduating students, and Right: Heart of Service Awards to primary students.

In 2018, a tradition was started with a Remembrance Day Ceremony. The first year children were brought in to ring a community bell in memory of the fallen soldiers and veterans. Left: President Phil Barchard assisting a child to ring the bell.

In the COVID years, and in the absence of activities at the Lions Hall, the idea of reaching out to the community in images on the fence started. The fence changes regularly covering the seasons of Land O'Lakes. First Vice President Lynn Osborne designs the fence and club members assist in painting and hanging the elements.

The Northbrook Farmers' Market had it's first season in 2021-2022

Christmas was celebrated with The Annual Christmas market Extravaganzas and the Annual Santa Claus Parade

Toll Roads: The Longest Standing Event

The toll roads (one during the Canada Day Weekend, and one during the Hunter's Weekend) are the longest standing events of the club. The first one coincided with the Charter of the club in 1969, and has never stopped since.

A Year in Progress: July 2022- June 2023

The 25th of August the Land O'Lakes Lions Roar appeared for the first time to bring the club information and give insights about Lions in general.

2022-2023 has been a year of great adventures and rewards for the club members. The membership has gone up to 71 members within the last few months; and every month has seen new activities and initiatives that the community has welcomed. Donations this year have also been on the rise with more than \$45,000.

The club kept the traditions of the past years alive through the much loved events of Dinners, Dances, Market Extravaganzas, Toll Roads, Christmas Parade, Fence Designs, and Nights of Bingo, Euchre and Darts.

New programs and initiatives were started such as an initiatives towards prepping the hall to become an Emergency Shelter for the community. The club also aimed at growing the communication with the community by reaching out and attending community events as a club. A cookbook was designed as a collaboration with 2 clubs of District A3 (Denbigh-Griffith and Sharbot Lake and District), in an initiative of building fellowship inter-clubs.
